STORAGE RECOMMENDATIONS

Avoid direct sunlight, high temperatures and high levels of humidity (store between 15°C / 59°F and 40°C / 104°F).

CLEANING RECOMMENDATIONS

Do not expose accessories to strong sources of heat (plastic supports may melt at temperatures above 80°C / 176°F). Avoid thermal shock. Do not clean the accessories in a washing machine or in boiling water.

For plastic supports, soak them for a few minutes in lukewarm water with a liquid dishwashing detergent (PH Neutral) and dry them well before displaying.

For metal accessories, clean by spraying with disinfectant and drying with a cloth, or immerse in a disinfectant solution and dry immediately.
