EDIKIO PRICE TAG SOFTWARE
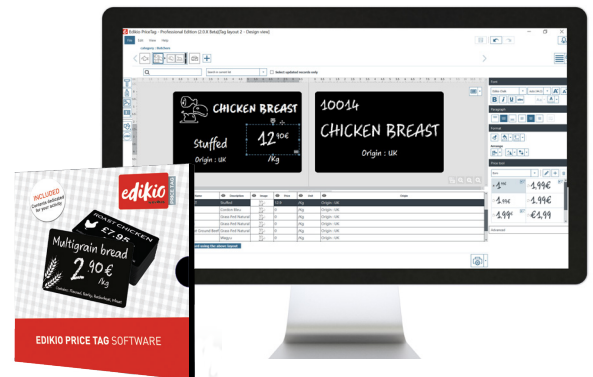

A USER-FRIENDLY TOOL FOR RETAILERS

EFFICIENTLY CREATE AND PERSONALIZE YOUR PRICE TAGS

With Edikio Price Tag software, you can create and customize beautiful price tags and labels quickly and efficiently directly at your point of sale.

These price tags are printed on plastic cards in credit card format (85.6 mm x 54 mm), long formats (120 x 50 mm and 150 x 50 mm) in landscape or portrait mode. Edikio Price Tag software allows you maximum flexibility to print your labels with a professional appearance on your display stands thanks to:

• User friendly Interface

• Graphical wizards for easy of use

• Categories to manage your products as you do in your store.

• Ability to import of your list of items from Excel, CVS, TXT files.

• Compatibility with macOS and Windows®.

Rich and customizable content

Whatever your retail focus, Edikio Price Tag Software comes with rich contents dedicated to your needs:

• A sample database list of products to get started quickly.

• A library of 200 pre-designed and fully customizable templates which can be shared among several categories or dedicated to a specific activity.

• More than 400 images to illustrate all activities.

• A dedicated Edikio Chalk font specifically developed for Edikio Software to give your tags a nice traditional touch.

In addition to your price tags, you have also the possibility to create employee badges, loyalty or gift cards.
