

EDIKIO PRICE TAG DUPLEX

THE ADVANCED SOLUTION TO PRINT YOUR DUAL-SIDED PRICE TAGS ON CARDS

Edikio Price Tag Duplex is an all-in-one solution to print great-looking price tags on cards. It is ideal for printing high volumes of dual-sided monochrome or colored tags.

Made for demanding users, Edikio Price Tag Duplex includes everything needed to update and print price tags in a few minutes:

Edikio Duplex printer
with an LCD touch screen

Edikio Price Tag software
Pro Edition

Consumables dedicated for use
in the retail food industry*:

200 black PVC cards,
credit-card format
(85.6 x 54 mm / 3.37" x 2.13")

1 white ribbon
for up to 1000 prints in credit
card size

EASY-TO-USE SOFTWARE

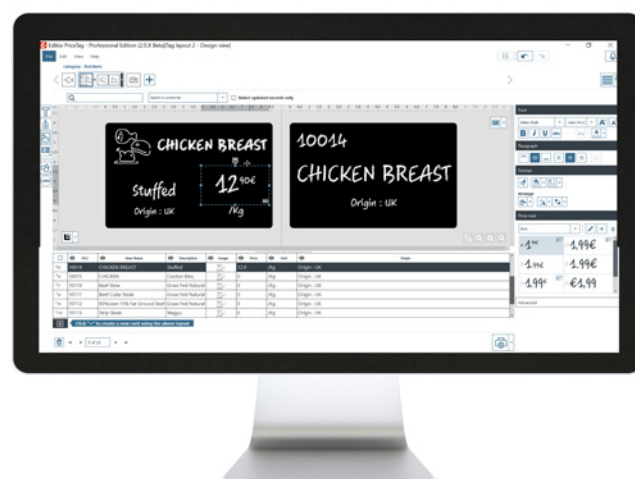

Thanks to the Edikio Price Tag Duplex solution, you benefit from the advanced functionality of the Edikio Price Tag "Pro edition" compatible with Windows® and macOS.

Create price tags in a **user friendly** interface with:

- An All-in-one view to have access your card design and your list of items
- A wide range of images, pre-designed templates and sample database lists dedicated to your needs
- The exclusive Edikio Chalk font
- Graphical footprint to visualize the position of your tag holder
- A graphical wizard to import data from Excel files and for dual sided printing

It also contains **simple and powerful features** like:

- Automatic detection of the updated prices since the last print
- Automatic refresh from an external database
- An easy tool to select price formats and currencies
- Backup & Restore function to save easily all your data
- Search toolbar with highlighted results
- Management of multiple users sessions
- Silent mode for advanced integration
- An allergen tool to automate their display directly on your tags
- Scoring tool to add, on your tag, a notation in the form of stars or circles

**Ideal for larger retailers,
such as:**

Supermarkets, Bakers,
Butchers, Pastry chefs,
Chocolate sellers,
Cheesemongers,
Fishmongers, Caterers,
Wine merchants...
